Wink Weddings DOING GOOD

During a recent backpacking trip through Southeast Asia I met some of the most incredibly bright and hospitable people imaginable in one of poorest regions in Cambodia. Through American Assistance for Cambodia, Wink Weddings, LLC is helping build a school for one of the villages that I spent time in. With every wedding booked with Wink, 10% of the proceeds will go towards this worthwhile effort. I thank you in advance, and I'm sure so will the bright souls in Cambodia when they receive the incredible gift of education.

After this school is built, I will choose another worthwhile charity here in the U.S. to fund through Wink Weddings, LLC.

- TESTIMONIALS -

"We hired Lance to photograph our wedding and we could not be happier with the whole experience. Lance has a terrific eye for catching moments that you didn't realize you would want when you were setting out. We had a few things that we definitely wanted to capture and left the rest to Lance's experience and expertise. He did not disappoint! He was all over our wedding and reception, was in all the right places at the right times but also blended into the background incredibly well. His presence never felt intrusive. Lance takes great pride in his work and great care of the responsibility of capturing those moments you will cherish forever. We would recommend him to anyone!"

- ERIN AND BRAD BRIDGEWATER
(WEDDING IN DALLAS, TEXAS)

"Lance's style is a perfect mixture of unique photojournalism and classic elegance. He saw opportunities for photos that we never even considered - and they ended up being our favorites. Lance and his team were professional, seamless and made us feel so at ease that we never noticed when he came in and out of our most precious moments."

- JANETTE AND MICHAEL CONNELL
(CEREMONY IN FREDERICKSBURG, TEXAS & RECEPTION IN LUCKENBACH, TEXAS)

"Lance is an extremely talented photographer who exceeded all of our expectations for our wedding day! We were so pleased with our pictures and will treasure them forever. He is so much fun to work with and has great ideas for pictures. Needless to say, we highly recommend Lance to anyone looking for a professional photographer!!"

- ANGIE AND DELL BOYKIN
(WEDDING IN AUSTIN, TEXAS)

"When we decided to get married, we chose Sedona Arizona as the backdrop for our wedding. The beauty and grandeur of Oak Creek Canyon was to be our sanctuary. Choosing a photographer that could capture that beauty and the excitement of our friends and family was our challenge! Throughout the wedding weekend Lance always seemed to be in the right place at the right time - but somehow he was never in the way or overbearing. He even rode a mountain bike to capture our pre-wedding ride. The photos capture more than just two dimensional representations of our day - they convey the beauty, emotions and excitement of the beginning of our life together. Thanks Lance!"

- BOBBI AND PHIL REIMER
(WEDDING IN SEDONA, ARIZONA)

"Lance's artistic style and approach to photography surpassed our expectations of what we hoped our wedding photographer would be. He attentively documented our whole event with beautiful engagement, rehearsal dinner, and wedding photos. He used extreme professionalism and seamlessly intermixed with us and our guests, capturing the most intimate of details. His extraordinary pictorial of events left us with beautiful lasting memories of our special event."
